STANDING COMMITTEE APPOINTMENTS

Following the 2001 Annual Meeting, additional appointments were made to standing committees as follows:

1. Kirk Mescher was appointed to the ASHRAE Program Committee to replace Ginger Scoggins, who was unable to accept the appointment.

2. David J. Hughes was appointed as the Region V regional vice chairman for Student Activities to replace Michael Korcal, who resigned because of a job change and move from the region.

   Waiver of ROB required: The rules of the Board require that a regional vice chair must hold the grade of Member in the Society for three years prior to the start of his/her term. Mr. Hughes was awarded the grade of Associate Member on 1/31/1997; therefore, the Board must vote to waive the rules to allow Mr. Hughes to serve.

3. Hugh F. Crowther was appointed to the Board Planning Committee to fill the position of Sukhdev Mathaudhu, who passed away in October 2001.
